HIGHLIGHTS OF THE YEAR

We made a difference in the lives of thousands of people in the state of Jharkhand through our various training programs and campaigns. Working at the grassroots level, Jharkhand Swabhimani, as part of the Government of India's initiative, conducted group trainings for PRI members across several different blocks of the state. Our volunteers organized awareness campaigns for missions like the Swachh Bharat Mission in the form of practical presentations and sessions with participants. On the urban front, we actively participated in several blood donation campaigns and urgent blood donation drives. During nation-wide lockdown, we arranged for and distributed dry ration to the needy. Read inside pages to know more details.

ABOUT US

Jharkhand Swabhiman is a non-profit organization registered in Ranchi, Jharkhand. It extends a helping hand to all sections of the society that are deprived in some way. The aim is to serve humanity without discrimination in terms of race, caste or religion.

The foundation stones of the organization were laid on 6 February 2002 by a group of experienced and enthusiastic people who had already been associated with the social and economic development of the society. By their mutual efforts and in collaboration with social experts, educationists, youth and social animators, and ideologists, they created Jharkhand Swabhiman with a common vision and common mission.

Our Vision

To make this world a better place for all. Central to this vision is to eradicate hunger, illiteracy, exploitation, homelessness and deprivation and provide these fundamental rights to all citizens of the state and beyond.

Our Mission

To work for the dignity of the poor and the people.

THE SECRETARY SPEAKS

I feel proud to present the annual report of Jharkhand Swabhiman for the year 2019–2020. The biggest achievement of the NGO in this financial year was to get empanelled with the Panchayati Raj Department of the Government of Jharkhand. We have been empanelled for a period of 2 years starting July 2019. The experience with the Panchayati Raj Department provided us an additional base at Khunti and Pakur Districts. It means that we as an NGO could extend our roots from Ranchi to Latehar, East Singhbhum, Khunti and Pakur Districts of Jharkhand. Reaching out to approximately 210 panchayats (Khunti and Pakur) this financial year was the biggest learning experience for our organization.

We would like to thank all our donors, supporters, volunteers, and well-wishers for their timely and valuable contribution towards our effort. Jharkhand Swabhiman would also like to extend its deep sense of gratitude to all the concerned officials of the Panchayati Raj Department and the BDOs and BPPs/BCs of all 12 blocks of Khunti and Pakur for their extended support. Without them we could have not achieved the desired outcome of the training provided to the PRI members. Assistance provided by the print media in bringing our work to the society can also not be ignored. This experience, along with our work in the last 18 years, will help us in to plan and implement our thoughts to reach the deprived sections of our society.

On regular requests from our donors, this financial year onward, we will enable the option of online donation directly from our website to ease the process and to bring about more transparency, with the hope that helpful donors will continue their financial assistance to our organization.

Master Trainer Jantu Soren started the session with discussing importance of **Drought Management** followed by where **Jharkhand stands** in the table. Mr. Animesh discussed about the **institutional bodies for Drought Management** after lunch.

On 2nd day Mr. Jantu Soren discussed the role of **MNREGA**. Mr. Animesh discussed **management of natural resources** pre-lunch and post lunch and discussed **role of gram panchayat** in drought management.

Day 3 started with Mr. Jantu Soren discussing the **situation of Panchayats** regarding drought. The final session of the orientation was taken by Mr. Animesh on inclusion of drought management while finalising the **GPI** of the Panchayat. The orientations were concluded by vote of thanks by the volunteer of **Jharkhand Swabhiman**. Total **24 mukhiyas** attended the orientation. Breakfast, Lunch and Hi-Tea were arranged at the venue for all participants by Jharkhand Swabhiman.

OTHER PROGRAMS

World Environment Day (5th June)

Jharkhand Swabhimana celebrated the World Environment Day by educating the women of East Torpa Panchayat on importance of saving our water bodies. We made them aware of their

rights to stop people polluting the water bodies in their village. The same was done in West Torpa (Khunti) and Babupur (Pakur) panchayats.

International Women's Day (8th March)

The International Women's Day was celebrated by Jharkhand Swabhimana Maheshpur Block of Pakur district this year. We had planned for local fest with the local people that included traditional dance performance

by the young local girls and that followed by a singing competition in the local language.

A small speech by volunteer of Jharkhand Swabhimana Mr. Vishal Raj Chourasia was made to let the women and girls know their rights. The women were made to promise that they would not allow any evil such as killing of girl child, early marriage, trafficking, girl drop out from schools and other related to girl or women prosper in the village or block.

Digital Literacy Program

In the effort to promote digital literacy Jharkhand Swabhiman has conducted various programs with the help of government or self sponsored. In the heart of Ranchi, we have a tie up with New Cherry Cafe to provide basic skills to a literate who are willing to learn. This helps them in getting a better job opportunity. This partnership of ours is for past few years and has yielded good results. We would like to keep this partnership going till its yielding results.

Blood Donation

In the effort to reach out the needy, Jharkhand Swabhiman had set up a club named KOSHISH (A club for a noble cause). Under the banner of this club Jharkhand Swabhiman is motivating youngsters to come forward and start donating blood to someone in need. Over the past few years this effort of ours has yielded benefits and several youngsters have joined us to serve this noble cause.

Jharkhand Swabhiman would especially like to mention **Mr. Ashish Gurung** who was in for his holidays in Ranchi and when he knew the requirement for blood, he was immediately ready. **Mr. Kumar Lov** also needs a special mention as he was moving to a different district for his work but as we contacted and requested him to spare time for the urgent need, he was ready. **Mr. Kumar Vivek** was contacted at midnight for the blood requirement of a 1-year old kid and Mr. Vivek managed to reach Nagarmal Modi Seva Sadan, Ranchi to help this cause. It's due to these youngsters that we have the hope that every requirement of blood to needy can be fulfilled. We would also like to thank all the donors who came forward voluntarily and donated blood.

Covid-19 food distribution

Covid-19 is one of the biggest pandemics that has shaken the entire world. The disease has affected millions and led to the death of thousands. The number is increasing every day and the fear is that it would be one of the biggest epidemics of whole time. Jharkhand Swabhiman tried the best to reach the person in need of food during lockdown. We started with distribution of dry ration to the daily workers. About 50 families were provided food.

Jharkhand Swabhiman also made arrangements at its office for cooked food for the people who did not have place to stay. Later as we ran short of funds, we started linking the needy to the respective district administrations. We have contacted approx. 500 individuals who were either in need of food or were stuck at a place and wanted to return back to their home town. **Mr. Nirmal Yadav's** family from Chhattisgarh was one of them. They had come for a marriage ceremony at East Singhbhum district and were stuck for over 2 months. When Mr. Yadav contacted us, we informed the local district administration who assisted them and 40 other people to return to Chhattisgarh. Same case was with an NGO based in Madhya Pradesh that contacted us for helping people stuck in Deoghar. **Mr. Sharma**, a representative of that NGO, thanked Jharkhand Swabhiman for immediate action.

The students of **National Law University (NLU, Gujarat)** contacted us with a list of approx. 300 migrants who had returned back to Jharkhand but are in need of food. The team of Jharkhand Swabhiman contacted each one of them and extended the possible assistance. We had also provided the municipal workers working in the area where our office is located with drinking waters, soft drinks and cookies in order to appreciate their work as **Corona Warriors**.

Assisting the people of Babupur Panchayat in Hiranpur Panchayat of Pakur district in downloading **AarogyaSetu** App was a big task as we had to first make them understand the importance of having this app. Once people were convinced, they downloaded the app. The Mukhiya of Babupur Panchayat was a big help in communicating with the locals and making them realise the importance of this app. Our Representative Mr. Jantu Soren had made over 100 people download this app. As the epidemic is not over, we are continuing our efforts with the help of big-hearted donors and hardworking volunteers.
