The Secretary Speaks

We as an organization feel proud to present the annual report for the year 2020-2021. We have bagged another feather in our cap this financial year was to get empanelled with the **JHARKHAND STATE AIDS CONTROL SOCIETY (JSCAS)**. We have also partnered with TRY for mainstream training in 4 districts this year. Our experience with the Panchayati Raj Department provided us base at Khunti and Pakur Districts last year and this year we have added our reach to Hazaribagh and Ramgarh. It means that we as an NGO could extend our roots to almost all 12 districts by end of the financial year.

We would like to thank all our donor, supporters, volunteers and well wishers for their timely and valuable contribution towards our effort..

This experience along with that of the last 9 years will be very helpful for us in planning and implementing our thoughts to reach the deprived humanity of our society. On regular request from our donor we would have an option for online donation on our website this financial year onward, with the hope that helpful donors continue their financial assistance to our organization.
